RITO MAKOYA

CREATION OF YOUR IMAGINATION

I am **Ndobe Rito**, i obtained National Diploma in Computer System Engineering at **Tshwane University of Technology**.

The course focuses more on Hardware and Software, whereby we build projects (**IoT**) and design websites.

I have developed myself an **online website Portfolio** which has my **resume** and all other supporting documents with all the projects I have worked on. Link-below is my online portfolio :
